The program in driver education is offered by the Board as a service to parents and students. Instructors for the in-class and in-car components of the program are certified by the Ontario Ministry of Transportation. The Board administers the program providing the instructor and classroom for the twenty-five (25) hours in-school component. The in-car component is ten (10) hours driving and ten (10) hours observing.

Questions regarding cost and administration of the program should be directed to Jerry Casey at the Catholic Education Centre (364-5820). Inquiries regarding in-class times, dates and program content should be directed to the individual school. The in-car component of the program is being administered by the Bluewater Driving Academy Limited (364-5500) or (376-2779).

The driver education fee for 2011-2012 is \$485.00 per student. The Ministry of Education and Training withdrew financial support of this program as of August 31, 1993. A recommended user-pay policy has therefore been adopted as the means of continuing to offer the driver education program.

A cheque for the entire fee must accompany this registration form, made payable to:

The Bruce-Grey Catholic District School Board

POST DATED CHEQUES WILL NOT BE ACCEPTED.

The signed registration form and cheque are the formal requirements for administrative registration. Rules and regulations regarding in-class and in-car requirements are established by the driver education teacher.

Registration forms and cheques may be given to the school secretaries. Receipts for the course will be issued from the Catholic Education Centre.
