## Notes:

- **Equipment Program**

Each student in Grade 9 to Grade 12 will receive a Chromebook, Headphones, Charger and Case.

Our 1:1 equipment program is about learning and not technology! This program will inspire our students with hands-on learning and can be used to promote creativity in the classroom. This innovative tool has the capability to provide personalised learning and education in a number of different subject areas. The device allows students to gain access to a continually growing bank of educational content. Please watch for further information and a link to the Bruce-Grey Catholic District School Board Assumption of Responsibility for Borrowed Equipment Form.

wear them design, i.e.

We also have a limited supply of cloth masks to give to students who need them.

- **Hand washing/Sanitizing**

Hand sanitizing should be done on entering the classroom and as hands are soiled or a student has been handling equipment.

- **Book Return:** Please bring back textbooks from last year.

- **Permission Forms Permission Forms Update:** The board has indicated that the general form which was posted on school cash online is not acceptable as it's too vague and not specific enough. Moving forward, each classroom teacher needs to create their own permission form for each specific excursion. Teachers may send a paper form home or they may set up on School Cash online. Sorry about this inconvenience.

Families interested in purchasing Student Insurance can do that online at [INSUREMYKIDS.COM](http://INSUREMYKIDS.COM)
