SMHS Back To School Checklist

We understand that there is a lot of information to digest and remember, so we have created a checklist to help you stay organized.

	I have reviewed the Self Assessment Checklist
	I know which staggered day on which my child returns to school
	I have a mask ready for my child to take to school
	I have registered for notifications at www.mybrucegreyschoolbus.ca
	I have read the Chromebook Protocol and Completed the Chromebook Assumption of Responsibility form
	I can visit the BGCDSB Return To School FAQ page for additional information

Notes:

1. 1:1 Equipment Program

Each student in Grade 9 to Grade 12 will receive a Chromebook, Headphones, Charger and Case.

Our 1:1 equipment program is about learning and not technology! This program will inspire our students with hands-on learning and can be used to promote creativity in the classroom. This innovative tool has the capability to provide personalised learning and education in a number of different subject areas. The device allows students to gain access to a continually growing bank of educational content. Please watch for further information and a link to the Bruce-Grey Catholic District School Board Assumption of Responsibility for Borrowed Equipment Form.

2. Guidance Appointments/Schedule Changes

By appointment only, use this link to sign up.

3. Masks

If kids have a cloth mask, they can bring them and wear them at school (of course they should be reasonable in design, i.e. no profanity, advertisements of prohibited substances, etc).

Student will be seen in guidance, by appointment only. Wait to be called.

We also have a limited supply of cloth masks to give to students who need them.

4. Hand washing/Sanitizing

Hand sanitizing should be done on entering the classroom and as hands are soiled or a student has been handling equipment.
