Fauvism

Fauvism (French for The Wild Beasts) was the term used to describe a style of painting using bold and simple colors created by the French painter Henri Matisse.

Henri Matisse

Matisse's bright and simple colors, his abstract view of space, and his loose painting technique made his style and the style of his followers unprecedented in its freedom, and abstraction. In Matisse's The Red Studio, the objects in this work appear to be suspended by an intense red hue.
Written Critique (Use FULL sentence structure, not one word answers)
Use 6 elements & principles throughout the critique. (Not all in one sentence)
Space, Line, Shape, Form, Texture, Colour, Value, Contrast, Balance, Emphasis, Movement, Rhythm, Pattern, Variety, Unity, Proportion
